

USB Stick CopyStation

Small scale programming of USB memory sticks

- ◆ Entry level solution for the duplication of data images to up to seven USB memory sticks simultaneously
- ◆ In-house developed copy software with the same «look & feel» as all other altec CopyStations; user interface selectable for English or German; other languages are available on demand; compatible with Windows XP
- ◆ Job Wizard to specify parameters for the copy job such as the image file name, number of copies and whether to verify after writing or not
- ◆ Supplied with active USB 2.0 hi-speed hub*; compatible with USB 2.0 and 1.1 memory sticks
- ◆ We strongly recommend that you only use USB memory sticks from international brand manufacturers such as SanDisk, Lexar or Transcend
- ◆ CopyStation's transfer rate is more than 30 MB/s; copies seven USB 2.0 Sticks with 512 MB in less than 2 min. (speed depends on USB stick type and USB connection)
- ◆ Software option for creating and copying smaller image files; with this, USB sticks where much less data is stored than the actual storage capacity permits can be programmed much quicker
- ◆ Optional software interface for data exchange with external application to allow customization of individual USB sticks, e.g. serialization or data encryption
- ◆ File Copy option to copy files from a specified directory to USB sticks, which are supported by Windows, instead of copying from an image file; the sub-directory structure (if present) is also copied

Technical Specifications

RoHS COMPLIANT
2002/95/EC

Hardware		Power Requirements	
- Interface	USB 2.0 Hi-Speed	- DC Input Voltage	USB Bus powered or via power supply with 3 A at 5 V (100-230V)
- Slots	for seven USB Sticks; 11.5 mm gap between the slots	Performance	
- Dimensions	99.6 x 59.5 x 25.7 mm (WxDxH)	- Data transfer rate	>30 MB/s; 7 USB sticks à 512 MB in <2 min. (speed depends on USB stick type & USB connection)
Environmental Specifications		Software	
- Humidity	5% to 95%, non-condensing	- Compatible with	Windows XP
- Temperature	0° to +40°C (operating)
